GENERAL INFORMATION

TIME — Sale will be held Saturday, October 12, 1963. It will start at 12:30 CST.

LOCATION — The sale will be held at the Charles Augustine farm, Hi-Land Acres, 4½ miles southwest of Lake City on Route 63, two miles west, one mile north.

TERMS — Terms of this sale are cash unless other arrangements have been made in advance with the consignors and the sale manager is notified. Settlements are to be made with the clerk at the conclusion of the sale. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE — All cattle will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

HEALTH — Interstate health certificates will be furnished on all lots. All females have been calfhood vaccinated for Bang's.

LIABILITY — Each transaction in this sale will constitute a contract between buyer and seller. The auctioneers, clerk, or sale manager have been employed for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability, legal or otherwise, for the buying contract or any accident. Every effort will be made for the comfort and safety of those attending this sale, but the seller assumes no liability for injuries that may occur. Statements from the block take precedence over information in the catalog.

REGISTRATION CERTIFICATE — A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Signed applications for registry will be furnished with each unregistered bull or heifer calf and for each unborn calf sold in dam.

AUCTIONEERS — Tom Sherlock, Oxford, Iowa; J. E. Halsey, Des Moines, Iowa; and Tup Elken, Mayville, N. D.

SALE MANAGER — Bill Stunkel, 16 South Locust Street, Aurora, Ill.

LUNCH — will be available on the grounds.

LATE BIDS — Phone the sale manager, the owners, or any of the auctioneers at the Charles Augustine Farm, Lake City, Minn. Phone 7832.

MOTELS — If you would like hotel or motel accommodations the night before the sale, please contact the sale manager and arrangements will be made.

This set of bulls are typical of the rugged, meaty bodied consignment of Ralph and Jim Bryan, Red Wing, Minn. The two largest bulls sell,

Welcome To The Sale . . .

Seldom have a group of consignors gone to such great sacrifice to offer prospective buyers a high quality offering as have the four herds which make up this sale. Each is consigning cattle he would prefer to keep in his herd. However, they realize these are the kind that buyers will also appreciate the most. Consequently, this is one of the **SELECT** sales to be held this **FALL**.

Strong herds can come to this sale confident of finding cattle that will suit. Smaller purebred breeders will have a fine opportunity of adding herd strength through either bull or female purchases. Commercial cattlemen should attend to select from the rugged group of bulls selling.

I am proud to be associated with this sale and the great group of men who make up its consignors. October 12th will be an important day in Minnesota. We hope you will be on hand to lend your support.

ARDBENNIE ROYAL ROBIN — The new herd sire in the Charles and Loraine Augustine's Hi-Land Acres herd. This bull was purchased in the 1962 Perth sale. His sire won the Casares Cup at the Royal Highland show at Aberdeen in 1959, was male champion at Alyth in 1960 and at both Crieff and Kinross in 1961. He was used in the world famous Pittodrie herd before its dispersion.

Chuck Augustine is shown with Fontana Benbow. Three sons, four daughters, and two granddaughters of this excellent bull are selling in this sale.

FONTANA BENBOW — Was a tremendously thick bull with a magnificent pedigree. His sire was a prize winner at the 1951 Royal Highland and English Royal shows and produced many famous sons and daughters, including the 4600 gns. Uppermill Bonus, 1955 Royal English champion female. Beaufort Benbow was by Cruggleton Pentland Firth (sire of Beaufort Bulldozer) considered one of the outstanding sires of the breed. The dam of this bull was a beautiful cow, wonderfully bred and cost \$3200 in the 1953 Grant Campbell sale.

HI-LAND ACRES MASTERKEY — By the 1956 Perth champion Kair Masterkey, who sired the 1958 Perth champion. Nine Masterkey sons from the first two calf crops sold at Perth for a \$2,559 average, winning the "best three bulls by one sire" award in 1958, the reserve "best three bulls" honor in 1959, and "best five bulls" honor both years. We have two calves by this tried sire. One of them sells in this sale beside its dam, Lot 16.

Looking for a herd bull? Then attend this sale. Nine promising sires to be offered that will suit the most critical buyer.

ROSEWOOD O B CRAFTSMAN — This is the cow that produced High Regard, the blue ribbon bull we sold at Omaha to Francis Vondrak & Sons, Hinton, Iowa. He sired a 5th, 10th and 11th place steer at the International and a 3rd at the American Royal. Here is a brood cow that sells with a show heifer calf at side by Ardbennie Royal Robin, calved June 12. Rebred July 6 to Royal Robin. Please note she is by \$2,850 Greenwood Craftsman who was first in class at International in 1952. Only because we have a three-fourths sister and a daughter with a Royal Robin heifer calf at side, do we consider selling this cow.

Shown here are from left to right: Calf by Hi-Land Acres Fanfare; Dew Bar Lavender C, selling as Lot 12; Rosewood O B Craftsman (Lot 13) and her calf by Ardbennie Royal Robin; and Lavender B 42nd (Lot 11). These are just three of the ten 3-in-1 combinations being offered in this sale.

Ralph Bryan & Son . . .

The next 16 lots are all consigned by Ralph and Jim Bryan, Red Wing. This herd dates back to 1904 when the first Shorthorns were imported from Canada by A. C. Bryan and Sons. The sons, Ralph and Harry, carried on the tradition of quality cattle as Bryan Bros. Later Ralph and his son, Jim, took over the management. Continued use of good sires, strong consignments to sales, and good exhibits at important fairs have won a wide circle of customers for Cannondale Shorthorns. Jim Bryan is currently the president of the Minnesota Shorthorn Ass'n . . . a testimonial to his effectiveness in the cause of Shorthorns.

A GOOD TIME TO BUY !

This year has marked a turning point in the Minnesota Short-horn business. Our breed is on the move! There is a renewed enthusiasm for Shorthorns in both the range areas and farm belts. More and more commercial producers are turning to Shorthorn bulls to improve the quality and profit potential of their herds. The future outlook for the Shorthorn bull and female trade looks good . . . especially for those who can supply breeding stock of top quality. Now is the time to set your herd right.

A typical group of young females in the Walter Bollum & Sons herd. Heifers like these are being mated to Rothney Justinian.

Walter Bollum & Sons . . .

The next 4 females are consignments of Walter Bollum and Sons, Goodhue, Minn. The Bollums have been breeding Short-horns and Polled Shorthorns for many years and have been important parts of state and regional sales. Believers in the practical aspects of cattle breeding, they have maintained a herd of cows which are impressive in their size. You'll like the cattle they are consigning to this sale.

SWEET REY — A heifer that really catches your eye. Will make an ideal 4-H project. Her mother is a first calf heifer.

- Shorthorns outgrossed all beef breeds in a summary of 31 feeder calf sales held in Virginia in 1961. The Shorthorn calves grossed \$130 . . . an advantage of \$5.85 a head over all blacks sold and \$7.00 a head over the whitefaces.
- Shorthorns topped the Kentucky Performance Tests for the fourth consecutive year. Shorthorns led in average daily gain, adjusted average daily gain, type score, and index value.

Some of the excellent cows in the Charles Bjerstedt & Sons Shorthorn herd at River Falls, Wisconsin.

Charles Bjerstedt & Son . . .

The next 3 females are consigned by Chuck and Lynn Bjerstedt, River Falls, Wis. Livestock production has been a century-long operation with the Bjerstedts. The first Bjerstedt settled at River Falls over 100 years ago and Shorthorns have been a part of the family for 50 of those years. The Bjerstedt cattle have gone through a continued process of improvement as indicated by their winnings in area shows. Not only have they collected trophies and ribbons but a wide circle of customers for their beefy, breedy headed Reds, Whites, and Roans.

These young replacement heifers are typical of the quality in the Bjerstedt herd. Most of these are daughters of Prince Consort.

Nine-year-old Karen Bjerstedt brushes up a playful Shorthorn heifer. One of the great advantages of owning Shorthorns is their superior docility which makes them ideal for club projects and as the breed for farmers with families interested in beef cattle. Shorthorns will give you more pleasure and more profit.
